"By the banks of the ancient River Nile, Egyptian houses had a special style:"

- Write about the houses in ancient Egypt and draw them.

In ancient Egypt, homes were very different. People built their houses from bricks made of mud from the river. The mud bricks made the walls strong. People used papyrus to cover doors and windows. Some houses were very cool. All of the houses had flat roofs.

"Egypt is one of the most popular vacation destinations in the world. Millions of people visit Egypt every year."

- Write about which places in Egypt tourists visit every year.

There are many places tourists visit every year in Egypt. Egypt has wonderful places like the Pyramids of Giza and the Egyptian Museum. The coast of the Red Sea in Egypt is one of the most beautiful places in the world for diving, and it has wonderful sea views with coral reefs. If you are a fan of winter tourism, there is nothing better than tourism in Luxor and Aswan in the winter. You can visit Valley of the Kings and Karnak Temple. I love Egypt.
